**Objective 1: Provide general support to European regions, local authorities and communities in preparing and planning for climate resilience.**

**Objective 2: Support at least 150 European regions and local authorities to accelerate their transformation to a climate-resilient future.**

**Objective 3: Build deep resilience by scaling up actionable solutions through 75 large-scale demonstrations of resilience across several European regions and local authorities, emphasising cross-border cooperation and cohesion.**

# MIP4Adapt Support Offering

The **Mission Implementation Platform (MIP4Adapt)** supports European regional and local authorities to prepare and plan their adaptation pathways to climate resilience.

All regions and local authorities receive support. Mission's Charter Signatories have some additional benefits.

## Regions and local authorities

- Access to data, guidance, tools and Mission Stories on the Mission Portal
- Showcase best practices
- Events, training and networking opportunities

## Charter Signatories

- Technical Assistance:
  - Designing climate adaptation pathways and solutions
  - Facilitating access to climate adaptation funding
  - Stakeholder and citizen engagement in climate adaptation planning
- Online Community of Practice, including peer learning

# The Community of Practice

## Aims

1. To facilitate the exchange of knowledge and experience
2. To strengthen coordination and collaboration among participants
